

Why choose Webpro Realty?

The reason is simple....

You Will Make More Money!

Yes, the green stuff!

Here is an example of a good sale in this area along with the commission breakdowns:

WebPro Realty

The Rest

- | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> • Transaction fees are based on prior sales. Realtors with 12+ transactions pay \$375. Realtors with 5-11 transactions pay \$475. Plus \$45 E&O Insurance. • Sale \$200,000 • Commission 3% = \$6000 • WebPro fees for a new Realtor are \$720 (that's it!) • \$6000 - \$720 = \$5280 • That's right! You take home that much! • Why am I at Webpro Realty? Because I like MONEY! | <ul style="list-style-type: none"> • The average for "the rest" is between 50% and 55% commission split between you and your broker. (Ask around But remember to ask them to include ALL of their fees) • Sale \$200,000 • Commission 3% = \$6000 • Your split after "their" fees 55% • \$6000 x .55 = \$3300 • Hard to believe isn't it? • I used to pay these fees but not anymore! |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

But what if I join a team to help build my business?

WebPro Realty on The Real Team

- We use a tiered system.
- For business you bring in yourself we only charge 15%
- $\$200,000 \times 3\% = \6000
- $\$6000 - \$620 = \$5380$
- $\$5380 \times 15\% = \807
- **$\$5380 - \$807 = \$4573$ YOUR TAKE HOME!**

The Rest on various teams

- Most teams pay you 50% and they take your listings
- Some teams only charge an extra 20% on top of their fees, some charge as much as 50%
- $\$200,000 \times 3\% = \6000
- $\$6000 \times 55\% = \3300
- $\$3300 \times 20\% = \660
- **$\$3300 - \$660 = \$2640$ YOUR TAKE HOME!**
