

Amy assisted us in both searching for a new home and selling our old one. She is an absolute professional, and was a pleasure to work with. Her knowledge of the Los Gatos/Saratoga area is extensive and invaluable, she can answer any question you can come up with about those markets and recommend a local handyman as well. When contacted, she responds quickly and professionally. We spent several months searching for our home, and she was tireless and encouraging during the sometimes frustrating process. When things didn't turn out as expected, she was always ready to go with a new search, and when we did finally purchase our home, she was always right on top of everything throughout the whole process. She sold our old home quickly taking care of all the details so the process was easy. Amy's flexible, professional, thorough, and simply a pleasure to hang out with. An amazing realtor.
